Part 2 – Request for Professional ADA Certification

(All questions must be answered by a Physician, Health Care Professional or Agency Representative.)

You are being asked by the applicant named in Part I to provide information regarding his/her ability to use public transit services. Topeka Metro will provide origin to destination paratransit services to persons who, due to a disability, are unable to use the city’s fixed route bus system. **(Please note all city fixed route buses are low-floor vehicles equipped with wheelchair ramps and securement devices for people who use a wheelchair or cannot climb stairs.)** The information you provide will allow us to evaluate the request and provide service to those qualified in accordance with Americans with Disabilities Act (ADA) regulations.

Mere difficulty, apprehension or inconvenience in using the fixed route system does not make a person eligible for paratransit service. (Examples: A person who prefers not to use the fixed route due to inclement weather is **not** ADA eligible unless the weather, in combination with their disability, prevents travel to or from a bus stop. A person with a disability who must exert him or herself to use the fixed route system is **not** ADA eligible unless the required exertion exceeds the limitations of the person’s disability.)

Capacity in which you know the applicant: _____

Please identify the applicant’s disability and describe the impacts or limitations to mobility: _____

Is this condition temporary? Yes No If yes, expected duration ____/____/____

If the applicant has a visual impairment, please identify extent of impairment and describe how it **prevents** their use of the fixed route bus system: _____

If the applicant has a cognitive disability, please identify extent of impairment and describe how it **prevents** their use of the fixed route bus system: _____

In your professional opinion, is this person **unable** to use the fixed route bus service? Yes No

I hereby certify that the above information is true. I understand that false certification may be reported to the appropriate licensing body or certifying authority.
