

RFP TM-20-01
Paratransit Buses
Questions and Answers #2
June 2, 2020

Q1. Would you accept used 2019 paratransit buses for this proposal?

A1. No.

Q2. Will you accept an 800-pound rated capacity low floor ramp?

A2. Yes.

Q3. For weight and balance purposes can you clarify the Make, Model, and approximate weight of the farebox you would like prewired.

A3. Space is all that is required for the installation of a farebox.
