Q1. Is current unit non recirculating?

A1. No.

Q2. Is there a separate soak tank?

A2. No.

Q3. Is this a rollout turn table?

A3. Yes.

Q4. Is there a crane slot on the existing unit?

A4. No.

Q5. Can we make this a misting rinse where it would fall into a makeup tank? It would have a float shut off on rinse so not to overflow.

A5. No.

Q6. Do we need an oil skimmer?

A6. Yes.

Q7. Do we need any type of timer for the unit?

A7. Optional, except for a low water shutoff.
