Dear Mr. Appelhanz,

Thank you, for giving us the opportunity to bid on the Topeka Metro buildings. We will make sure that our work is highly satisfactory. I have been in the commercial cleaning business for over 50 years. Shawnee Building Maintenance & Janitorial Services Inc. was established in 1999. However, my former company's name was known as Mr. T & Family Janitorial Services Inc. I first started out cleaning in 1971, for supplementary income for my growing family. In 1982, my company became incorporated. In the year 1999 with changing times, I decided to update my name to Shawnee Building Maintenance & Janitorial Services Inc.

We understand how important it is to have a clean working environment. We use chemicals that kill harmful bacteria, and viruses. My company has a wide variety of clientele. Our customers can testify that we are always ready to adapt to their changing needs. We realize how important it is to maintain a safe and germ free environment. We use products that are recommended for use in hotels, hospitals, and any commercial or industrial buildings. The cleaning products are used to kill harmful germs such as HCV, HISV and HIV and COVID- 19.

Our mission statement is to “provide a clean and safe work environment so that one can enjoy the beauty and pride of their employment.” We also understand that the Topeka Metro Buildings are a representation of Topeka. We want the citizens of Topeka to enjoy a clean and safe environment while they are waiting for the Topeka Transit. We want to help provide a positive experience for Topekans.

Supervision ultimately determines the success or failure of any cleaning program. Recognizing this, we have developed a system of constant and alert supervision. As Owner & President of his company, Thurman Williams Sr. is active in keeping his employees properly trained as well as personally taking an interest in his clients.

Shawnee Building Maintenance & Janitorial Services understands what is required of them that is outlined in the Cleaning Schedule under the Metro Specifications. We understand that we are to provide our own cleaning supplies. We also would like to bring
