Below is a listing of our current banned passengers. This was updated and people the police have stated are no longer in the area have been removed from the list. Some passengers are required to attend a meeting prior to being reinstated. That meeting will include a Metro Operations Supervisor, General Counsel, and security officer. If no meeting is requested by the passenger, the ban will remain in effect.

He has been banned since 4/24/2016. He is considered dangerous. His caretakers agreed that he is a danger when placed in a group environment. At one point he had a person advocate for him at a meeting and the advocate said he was not stable enough to ride public transportation. He will stay on our ban board due to the nature of his threats and his being so unstable. **Indefinite – meeting required.** **Update...operators observed David on 12/11/25 riding again after being gone for years. He was added back on the list. No picture available.**
2. Timothy Seibert
On 9/9/15, this individual called QSS and left a very threatening message towards an operator causing the TPD to get involved. This individual has been banned indefinitely and in order for him to ride he would need to have a meeting with our security officer, legal and a supervisor first. **Indefinite – meeting required.** **Update...still in Topeka as of 5/1/25.**

He was banned for 45 days to expire 11/24/17 pending a meeting. Note: He has been banned from a number of other locations in town and was taken into custody at one of the downtown banks. He has not requested a meeting, and we are trying to determine if he is still in town. *Update* – Zunzilla boarded a bus on 11/1/22 and had an altercation with the operator. His identity was later confirmed, and he was escorted off QSS property by Ray and the security officer on 11/22/22. Zunzilla was informed he was still banned until he requested and attended a meeting to return to service. To date, he has not requested a meeting. Zunzilla's picture was again posted for employees. **Indefinite – meeting required.** **Update...still in Topeka as of 5/1/25, but currently incarcerated.**
