

## Concrete Pads and Conduits RFB TO-23-09

Publication Date: December 5, 2022  
Proposal Due Date: January 12, 2023  
Contract Term: Single Job

Proposals Received: Three

### Previous Experience with the Bidders

We have worked with all three bidders in the past. They have all done good work and completed their projects in a timely fashion.

### Evaluation

All three bids were responsive. The estimate provided by Scott McKinley, engineer, was \$100,000. The bids prices are:

|                           |              |
|---------------------------|--------------|
| McElroy Electric          | \$ 79,849.00 |
| KC Electrical Contractors | \$145,000.00 |
| Joe Schreiner Concrete    | \$194,400.00 |

Scott McKinley reviewed all three bids and determined that the McElroy Electric bid was accurate and complete, and the price and profit was reasonable.

### Recommendation

We recommend awarding the contract to McElroy Electric. Their bid met all specifications and they had the lowest bid price.
