Questions and Answers #2
May 14, 2021

- Q1. Are there As Built Drawings available that show the exterior conduit paths back to the building along with architectural layout of the attic/crawl space specifically for the QSS location?
- A1. All of the site plans we have for both the Administration and QSS locations are included in Appendix I which is posted on our website. The following link will take you to Appendix I:
- <https://www.topekametro.org/open-rfps>
- Q2. How should we approach pricing scenarios based on whether or not existing cable is functional?
- A2. Submit multiple price quotes. One based on existing functional cable and the second based on installation of new cable.
