

MAY 2018

ROUTE AND SYSTEM UPDATES

MAY 2018 SERVICE UPDATES – FARES ARE NOT INCREASING

Elimination of 29 Special

Low ridership along the route indicates service hours can be better used elsewhere in the system.

Topeka Metro target passengers per service hour (PSH) = 17 to 20

Average PSH on fixed routes: 20

29 Special average PSH: 4

** Amtrak to QSS service retained as part of Route 7

** 1st @ Madison to QSS service retained as part of 10 Special

Added peak service on Route 6

11:45 and 12:45 trips will be added due to high demand on the route.
