Bus Stop Signs
Questions and Answers #2
June 3, 2021

- Q1. You want shipping included, will there be a minimum order quantity per shipment?
- A1. Yes. Metro plans to order signs in lots of 200 per order.
- Q2. Is there any provision to adjust pricing based on material costs?
- A2. No. We will award a 5-year contract and our price quote form allows the vendor to bid the price for 200 bus stop signs, including freight, for each year of the contract.
- Q3. Is a woman owned and operated business with Woman Owned Small Business (WOSB) Certification considered a DBE?
- A3. No. To be considered a DBE by Metro, in accordance with FTA requirements, you need to be on the State of Kansas Directory of Disadvantaged Business Enterprises.
- Q4. Will the text phone number change with each bus stop or will it always be 785-333-1113?
- A4. The text phone number will always be 785-333-1113. There is a blank space area on the sign on Appendix II for Metro to insert a decal for bus stops.
