Evaluation

The evaluation committee reviewed the bids individually, then met on July 1st, 2021, to discuss. After review, both bids were deemed to be responsive and both bidders to be responsible and qualified. The Independent Cost Estimate (ICE) for this RFB to purchase 200 bus stop signs per year for 5 years was \$29,010. Both bids were well above the ICE. Therefore, the committee decided not to award a contract to either bidder.
