SJHL LLC
CERTIFIED PUBLIC ACCOUNTANTS

September 29, 2026

Board of Directors
Topeka Metropolitan Transit Authority
201 North Kansas Avenue
Topeka, Kansas 66603

Auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States require us to specifically communicate with management of the audited entity, those charged with governance, and the individuals contracting for or requesting audit services, as applicable, information regarding the nature and extent of planned testing and reporting on compliance with laws and regulations and internal control over financial reporting.

To meet this communication requirement, we have provided you with the attached copy of our engagement letter which was signed by Richard Appelhanz on September 29, 2026.

If you have any questions concerning the attached, please contact me at 785-234-3427.

Very truly yours,

Swindoll, Janzen, Hawk & Loyd, LLC

SJHL LLC
CERTIFIED PUBLIC ACCOUNTANTS

September 29, 2026

Richard Appelhanz
Chief Financial Officer
Topeka Metropolitan Transit Authority
201 North Kansas Avenue
Topeka, Kansas 66603

SJHL, LLC ("SJHL," "firm," "we," "us," or "our") is pleased to confirm our understanding of the services we are to provide for Topeka Metropolitan Transit Authority (the "Authority," "you," or "your").

Audit Scope and Objectives

We will audit the governmental activities, the business-type activities and the disclosures, which collectively comprise the basic financial statements of the Authority as of and for the year ended June 30, 2026. Accounting standards generally accepted in the United States of America ("GAAP") provide for certain required supplementary information ("RSI"), such as management's discussion and analysis ("MD&A"), to supplement the Authority's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Authority's RSI in accordance with auditing standards generally accepted in the United States of America ("GAAS"). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance.

We have also been engaged to report on supplementary information other than RSI that accompanies the Authority's financial statements, including the schedule of expenditures of federal awards. We will subject the supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statement are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards*, issued by the Comptroller General of the United States (*"Government Auditing Standards"*) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

SJHL LLC
CERTIFIED PUBLIC ACCOUNTANTS

The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS and; the standards for financial audits contained in *Government Auditing Standards*; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance and will include tests of your accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represents the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Authority or to acts by management or employees acting on behalf of the Authority. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of receivables and certain assets and liabilities by correspondence with selected funding sources, creditors, and financial institutions.

Audit Procedures – Internal Control

We will obtain an understanding of the Authority and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures – Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Authority's compliance with the provisions of applicable laws, regulations, contracts, and agreements, and grants, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the Authority's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the

Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the Authority's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, establishing and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; following laws and regulations; ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with GAAP and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us; for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern within one year after the date that the financial statements are available to be issued. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the Authority from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statement.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Authority involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements and disclosures. Your responsibilities include informing us of your knowledge of any allegations of fraud or

suspected fraud affecting the Authority received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the Authority complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review on June 30, 2026.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are responsible for the preparation of the supplementary information which we have been engaged to report on, in conformity with GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

With regard to publishing the financial statements on your website, you understand that websites are a means of distributing information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the website with the original document.

Reporting

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to management and the Board of Directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Other Services

We will also assist in preparing the financial statements, the schedule of expenditures of federal awards, and related notes of the Authority in conformity with GAAP and the Uniform Guidance based on information provided by you. Finally, we will assist with the Federal Audit Clearinghouse submission.

These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards and related notes, and other nonattest services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statement preparation services and any other nonattest services relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, the schedule of expenditures of federal awards, and related

notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, yourself, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, and other confirmations we request and will locate any documents selected by us for testing. We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including the financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the Federal Audit Clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the Authority; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

Stacey A. Hammond is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. We expect to begin our audit on approximately September 28, 2026.

Our fees for these services will be at our regular rates. We estimate that our fee for these audit services will be $ 29,900. This base audit fee includes a fee for the single audit with one major program. If more than one major program is required to be audited, we anticipate an additional fee of $ 4,500 per major program. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly. We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit.

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 31 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, you will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination. Further, you acknowledge and agree that in the event we stop work or withdraw from this

engagement as a result of your failure to pay on a timely basis for services rendered as required by this engagement letter, we shall not be liable for any damages that occur as a result of our ceasing to render services.

In addition, you further agree that in the event our firm or any of its employees or agents is called as a witness or requested to provide any information whether oral, written, or electronic in any judicial, quasi-judicial, or administrative hearing or trial regarding information or communications that you have provided to this firm, or any documents and workpapers prepared by SJHL in accordance with the terms of this agreement, you agree to pay any and all reasonable expenses, including fees and costs for our time at the rates then in effect, as well any legal or other fees that we incur as a result of such appearance or production of documents.

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you concerning the scope of the additional services and the estimated fees. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

It is mutually agreed that should unusual conditions arise whereby the firm's services are necessary beyond the extent of the work heretofore contemplated and required, such unusual conditions shall be brought to the attention of the governing body, to enable them to determine whether the firm shall be authorized and delegated to make a detailed investigation of the matters in question. This authorization process would also include a determination of whether this work could be performed without impairing our firm's independence under the AICPA *Code of Professional Conduct*. This determination would be reviewed by SJHL's management before presenting this additional work to the governing body for consideration. The basic scope of this audit contract shall not include, among other things, budget preparation; federal fund grants not specified above; new bond issues; new standards and regulations promulgated by any State or Federal agency; bookkeeping services; significant difficulties encountered due to inadequate or incomplete accounting records, difficult staff or turnover of staff. Any additional services will be completed at our standard hourly rates. Nonattest services are based on our standard hourly rates.

During the course of the audit we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

To ensure that SJHL's independence is not impaired under the AICPA *Code of Professional Conduct*, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

In connection with this engagement, we may communicate with you or others via email transmission. We take reasonable measures to secure your confidential information in our email transmissions, including password protecting confidential documents. However, as email can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom it is directed and only to such parties, we cannot guarantee or warrant that email from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure or communication of email transmissions, or for the unauthorized use or failed delivery of email transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of sales or anticipated profits, or disclosure or communication of confidential or proprietary information.

Depending on the circumstances and nature of the services we are providing, we may share your confidential information with third-party service providers, some of whom may be cloud-based or located outside the United States, but we remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality terms with all service providers to maintain the confidentiality of your information and will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure appropriate confidentiality terms with a third-party service provider, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Although we will use our best efforts to make the sharing of your information with such third parties secure from unauthorized access, no completely secure system for electronic data transfer exists. As such, by your signature below, you understand that the firm makes no warranty, expressed or implied, on the security of electronic data transfers.

Each party hereto agrees that any electronic signature intended to replicate a written signature, shall be presumed valid, and we may reasonably rely upon it. For purposes hereof, "electronic signature" includes, but is not limited to, a scanned copy of a manual signature, an electronic copy of a manual signature affixed to a document, a signature incorporated into a document utilizing touchscreen capabilities, or a digital signature. Documents may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement.

Our firm may use generative artificial intelligence ("AI") tools to improve efficiencies in areas such as tax and accounting research, document drafting, or other analysis to assist us with rendering services to you under the terms of this agreement. We have policies and procedures in place to ensure that any AI-generated content is subject to our firm's strict quality control guidelines which include protocols for applying professional expertise, judgment, and oversight in the review and interpretation of any AI-generated content. In addition, we maintain reasonable safeguards to ensure responsible use of AI which includes strict adherence to the requirements set forth for confidentiality, privacy, security, and ethical use of AI in accordance with applicable laws and our professional standards.

The audit documentation for this engagement is the property of SJHL and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to regulatory agencies or their designees, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of SJHL personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

It is our policy to keep records related to this engagement for seven years. However, SJHL does not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. If we are aware that a federal awarding agency, pass through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation. As an attest client, SJHL cannot store your documents, data, or records on your behalf because doing so will impair SJHL's independence. This is in accordance with the "Hosting Services" interpretation at ET 1.295.143 of the *AICPA Code of Professional*

Conduct. As such, SJHL does not accept responsibility for hosting client information; therefore, you are solely responsible for maintaining your own data and records.

By your signature below, you acknowledge and agree that upon the expiration of the seven-year period, SJHL shall be free to destroy our records related to this engagement.

SJHL does not host any of the Authority's information. Caseware Cloud, SafeSend, and ShareFile are used solely as a method of transferring data and are not intended to store the Authority's information. Upon conclusion of the engagement, SJHL will provide the Authority with a copy of the deliverables relating to the engagement in a mutually agreed-upon format. The data and other content will either be removed from Caseware Cloud, SafeSend, and ShareFile or become unavailable to SJHL within a reasonable period of time.

If any dispute arises among the parties hereto, the parties agree to first try in good faith to settle the dispute by mediation administered by a mutually agreed arbitrator, under its applicable rules for resolving professional accounting and related services disputes before resorting to litigation. The costs of any mediation proceeding shall be shared equally by all parties.

In accordance with the terms and conditions of this agreement, you shall be responsible for the accuracy and completeness of all data, information and representations provided to us for the purposes of this engagement. **Because of the importance of oral and written management representations to the effective performance of our services, you agree to hold us harmless and to release, indemnify, and defend us from any liability or costs, including attorney's fees, resulting from management's knowing misrepresentations to us.**

The Authority and the firm both agree that any dispute over fees charged by the firm to the Authority will be submitted for resolution by arbitration in accordance with the applicable rules for resolving professional accounting and related services disputes, except that under all circumstances the arbitrator must follow the laws of Kansas. Such arbitration shall be binding and final. In agreeing to arbitration, we both acknowledge that in the event of a dispute over fees charged by the firm, each of us is giving up the right to have the dispute decided in a court of law before a judge or jury and instead we are accepting the use of arbitration for resolution. The prevailing party shall be entitled to an award of reasonable attorneys' fees and costs incurred in connection with the arbitration of the dispute in an amount to be determined by the arbitrator.

Consequently, no other person, firm or corporation is entitled to rely upon these professional services for any purpose without our express, written agreement; and the parties referenced above are not entitled to rely upon these services except in connection with the reasons and for the time period referenced above without our express, written agreement.

This engagement embodies the entire agreement and understanding between the parties hereto and there are no promises, warranties, covenants or conditions made by any of the parties except as herein expressly contained. The terms and conditions of this engagement shall be governed and construed in accordance with the laws of the State of Kansas and may only be modified in a writing signed by all the parties. Jurisdiction and venue of any dispute or cause of action arising out of or related to the subject-matter of this agreement shall lie in the State of Kansas and any litigation arising out of or related to the professional services rendered hereunder shall be brought in the State of Kansas.

SJHL LLC
CERTIFIED PUBLIC ACCOUNTANTS

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Very truly yours,

Stacey Hammond

REPORT ON THE FIRM'S SYSTEM OF QUALITY CONTROL

February 21, 2025

To the Partners of
Swindoll, Janzen, Hawk & Loyd LLC
and the Peer Review Committee of the Oklahoma Society of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Swindoll, Janzen, Hawk & Loyd LLC (the firm) in effect for the year ended September 30, 2024. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing and complying with a system of quality control to provide the firm with reasonable assurance of performing and reporting in conformity with the requirements of applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of and compliance with the firm's system of quality control based on our review.

Required Selections and Considerations

Engagements selected for review included an engagement performed under *Government Auditing Standards,* including a compliance audit under the Single Audit Act and audits of employee benefit plans.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Swindoll, Janzen, Hawk & Loyd LLC in effect for the year ended September 30, 2024, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass, pass with deficiency(ies)* or *fail.* Swindoll, Janzen, Hawk & Loyd LLC has received a peer review rating of *pass.*
