Q1. Are there any stipulations for weather (acts of God, natural disasters, severe weather like blizzard conditions or ice, state of emergency), would service still need to be provided or would there be some leeway in times?

A1. Yes, service would still need to be provided.

Q2. I noticed in the paperwork that when this contract is awarded that it becomes public information, is the prior contract that was selected and ends this year available for viewing?

A2. Yes. We've posted the current contract and previous bid to our website <http://www.topekametro.org>. The following link will take you directly to them: <https://topekametro.org/open-rfps/>
