

Bus DVR Replacement RFB TO-20-01

Publication Date: July 29, 2019
Proposal Due Date: August 29, 2019
Contract Term: Single Job
Bids Received: Five

Specifications of Service

The successful bidder will replace the digital video recorders (DVR) on each of our 26 fixed route buses for the main purpose of adding live viewing and historic video automatically without having to physically remove hard drives from each DVR.

Evaluation

The evaluation committee reviewed the bids individually, then met on September 10 and September 26 to discuss. After review, all bids were deemed to be responsive and all bidders to be responsible and qualified. Therefore, the committee decided to award the contract to the lowest bidder.
