Request for Bids TO-24-06

Back-Up Generator at Quincy Street Station
Single-Job Contract

Topeka Metropolitan Transit Authority (Metro) is requesting bids from qualified firms to install a back-up generator and concrete pad at our Quincy Street Station location at 820 SE Quincy Street in Topeka, Kansas.

Metro currently does not have a back-up generator to protect against power outages. Metro would like to purchase and install a 100-Kilowatt at 120/208 Volts, 3PH, wye connected, **natural-gas** powered back-up power generator, automatic transfer switch at 400 amps, concrete pad for the generator to sit on, piping to connect to a natural gas source, any and all electrical conduit, wiring, and testing to make the generator operational.

Proposers shall have sufficient experience and qualifications to install the back-up generator and all other necessary components to render the generator operational and construct a concrete pad for the generator to sit on. Proposers will be responsible for all aspects of this project, including but not necessarily limited to:

- prepare site if necessary and construct a new concrete pad;
- install back-up generator including all piping for natural gas and electrical work to make the generator fully operational;
- follow all contract requirements on pages 3-12;
- acquire all necessary licenses, certifications, and permits, and payment of fees for same;
- furnish all labor, material and equipment necessary for satisfactory contract performance;
- hire all subcontractors and ensure their compliance with contractual requirements; and,
- ensure that the back-up generator is properly installed, properly tested, and ready for use upon completion.

If you would like to inspect the site, you may schedule your site visit with:

Alan Parrish, Director of Maintenance
maintenance@topekametro.org
785-730-8690

This will be a single-job contract. Provide your completion date on the Price Quote form.

Davis-Bacon

Davis-Bacon reporting requirements must be completed each week. The most recent Davis-Bacon wage rates for building projects in the State of Kansas are attached (Appendix 1). The contractor is responsible for complying with Davis-Bacon wage rates and postings as required. The worksite posting is attached (Appendix 2). Contractor will follow all contract terms on pages 3-12.

General Instructions

Bids must be submitted in the following format:

- 1) Cover sheet signed by the individual authorized to commit the firm to perform the contract requirements, including your firm's name, address, phone, fax, and email;

SUSPENSION / DEBARMENT CERTIFICATION

In regard to 2 CFR Parts 180 and 1200

In accordance with 2 CFR Parts 180 and 1200, the contractor is required to verify that none of its principals or affiliates:

- 1) is included on the federal government’s suspended and debarred list;
- 2) is proposed for debarment, declared ineligible, voluntarily excluded or disqualified;
- 3) within three years preceding this proposal, has been convicted of or had a civil judgment rendered against them for (a) commission of fraud or criminal offense pertaining to performing a public transaction, (b) violation of any federal or state antitrust statute, or (c) embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property;
- 4) is indicted or charged by a governmental entity for any of the charges in 3) above; and
- 5) has had any public transaction terminated for cause or default within three years preceding this proposal.

The contractor is required to include this requirement in any subcontracts related to this contract.

By signing and submitting its proposal, the proposer certifies that the certification in this clause is a material representation of fact relied upon by Metro. If it is later determined that the proposer knowingly rendered an erroneous certification, in addition to remedies available to Metro, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The proposer agrees to verify that none of its principals or affiliates is included on the federal government’s suspended and debarred list at any time throughout the period of this contract. The proposer further agrees to include a provision requiring the same compliance in its subcontracts related to this contract.
