Below is a listing of our current banned passengers. This was updated and people the police have stated are no longer in the area have been removed from the list. Some passengers are required to attend a meeting prior to being reinstated. That meeting will include a Metro Operations Supervisor, General Counsel, and security officer. If no meeting is requested by the passenger, the ban will remain in effect.

1. Timothy Seibert
On 9/9/15, this individual called QSS and left a very threatening message towards an operator causing the TPD to get involved. This individual has been banned indefinitely and in order for him to ride he would need to have a meeting with our security officer, legal and a supervisor first. **Indefinite – meeting required. Update...still in Topeka as of 5/1/25.**
2. Zunzilla McBride
On 10/12/17, this individual was standing while the bus was in motion and would not sit down. When the operator asked him to take his seat he began to verbally challenge and threaten the operator. Passenger approached the operator and loudly blew a whistle in the operator's face getting spit on the operator. He refused to deboard, so TPD was called and removed him. He was banned for 45 days to expire 11/24/17 pending a meeting. Note: He has been banned from a number of other locations in town and was taken into custody at one of the downtown banks. He has not requested a meeting, and we are trying to determine if he is still in town. *Update* – Zunzilla boarded a bus on 11/1/22 and had an altercation with the operator. His identity was later confirmed, and he was escorted off QSS property by Ray and the security officer on 11/22/22. Zunzilla was informed he was still banned until he requested and attended a meeting to return to service. To date, he has not requested a meeting. Zunzilla's picture was again posted for employees. **Indefinite – meeting required. Update...still in Topeka as of 5/1/25, but currently incarcerated.**
3. Larry Akers
This individual has had multiple offenses and multiple bans. On 6/25/18 he was intoxicated and passed out in the Lyman & Topeka shelter. When the supervisor was finally able to wake him, he started yelling obscenities and disgusting language. He refused to leave, TPD was called, and then he left. He returned later and TPD arrested him for disorderly, criminal trespass. He was banned 45 days to expire on 8/9/18 pending a meeting. He has not requested a meeting. **Indefinite – meeting required. Update...still in Topeka as of 5/1/25.**

by a supervisor and asked to leave the property. He initially refused but left once the supervisor said he was calling TPD. He was banned immediately until further notice so that an investigation could be performed. Following the investigation, Wendall was banned for 1-year from the date of the incident to expire 1/30/24, pending a meeting with TPD and management to return to service. **Ban expires 1/30/24 – PENDING meeting required to return to service.**

6. TPD initiated a State Endangerment charge with an Attempt to Identify search. He was later apprehended by TPD on 4/6/24. **THIS PERSON IS CONSIDERED ARMED AND POSSIBLY DANGEROUS.** If you see him, do not approach him. If you have any future interaction with him, immediately notify a supervisor so that TPD can be contacted. **Ban is indefinite. MEETING PENDING.**
