

Lift System RFB TO-23-06

Publication Date: August 8, 2022
Proposal Due Date: September 8, 2022
Contract Term: Single Job
Bids Received: Three

Specifications of Service

This contract will be for the successful bidder to remove our existing lift and to purchase and install a new Lift System at our Maintenance Building location at 200 NW Crane Street in Topeka, Kansas.

Evaluation

The evaluation committee reviewed the bids individually, then met on September 13 and September 14, 2022, to discuss. After review, all three bids were deemed to be responsive and all three bidders to be responsible and qualified. Myers Brothers of Kansas City had the earliest project start date and services all of their equipment. Quality AES had the latest project start date and services all of their equipment. RDI Equipment had the second earliest project start date and uses a third party to service their equipment. All three members of the evaluation committee then individually scored each bid. Experience and Qualifications was worth 30%, Scheduling was worth 30%, Price was worth 30%, and Required Items was worth 10%. The order of finish based on the evaluation scores were as follows:

<u>Bidder</u>	<u>Bid Price</u>	<u>Score</u>
Myers Brothers of Kansas City	\$143,932.00	9.30
RDI Equipment	\$143,199.00	8.62
Quality AES LLC	\$147,555.00	8.30

Recommendation

We recommend awarding the contract to Myers Brothers of Kansas City. Their bid met all specifications, they had the highest evaluation score, the earliest project start date, they service their equipment, and they had the second lowest bid price.
